Told me about the
memo he did for Paul Lundy
on the MLE. Dec 64. W/H
was "ecstatic" about it because
it was designed by the two
rival camps, pro- & con- MLE.

or 65?
probably

Also told about the
ready work required on my
to do a report on what Europe
was like in 45. This report
to W/H in a.m. Sentence of it
was used by W/H in a speech
late that morning.
